Introduction:

Congratulations on acquiring this devotional and on committing this quarter to prayer. Prayer is the privilege that keeps us plugged in to the power of God. This is the privilege that Christ purchased for us on the cross. It is the freedom to come boldly into the very throne room of God without the fear of rejection, retribution or wrath. To the contrary we are all welcome in the place of prayer and have been guaranteed an audience with the King.

Prayer ensures that the resources of heaven are always available to you on earth. It locks the two realms together so that the supernatural becomes a natural part of your everyday experience. Those who pray can expect miracles, breakthroughs, opportunities and Divine favour over their life. They can expect God to show up and to show off when needed. In this respect, prayer produces a life of peace and power when you commit your days into God's hands.

Prayer is also the ultimate expression of humility. It is our way of saying to God that we need him and that we have no intention of going it alone. When we humble ourselves in search of God's help, he promises to meet us there with provisions and power for the journey ahead. The only choice we have to make is whether we want to live:

- A natural life or a supernatural life
- An average life or an anointed life
- A mundane life or a miraculous life
- A limited life or a limitless life

If you have chosen the later; then the door way into your new dimension is daily prayer. As you start each day with prayer you will finish each day with power. We commend this devotional to you as a tool and aid for an effective prayer life.

To your success and lasting significance

THIS MONTH'S PRAYER THEME:
RELATIONSHIPS MATTER

AFFIRMATION: *I love God and my neighbour as myself*

God is love and everyone that loves is born of God. This implies that love is the image and likeness of God at work in people. Love is our fundamental nature and the DNA of our very essence. This starts with God, who we love because He first loved us. We love God in proportion to our concept of his love for us and it is impossible to receive the love of God without simultaneously receiving each other as special, important and valued by Him. As we recognise how precious we are in His sight, we will do to others what we would have done to ourselves. We will treat people the way we want to be treated. This is the heart of God's plan for the planet; that we each love our neighbor as our selves. The whole of the law and prophets in the Old Testament hinged on two commandments i.e. Love God and your neighbor as yourself. The new commandment of Christ is

that we should love one another as he has loved us. We pray that you emerge from this month with a new level of commitment to God, to yourself and to your neighbours that need you.
